ADVANTAGES OF MEMBERSHIP

- **Being a part of an association of likeminded people** – emphasis being on competitive races and track and field events and having fun at the same time.
- **A winter cross-country league** – This is a competitive league which runs through the x-country season. You get points each race you attend. You compete against athletes of your own age and prizes are awarded at the annual dinner for 1st, 2nd and 3rd placed athletes.
- **British and Irish International cross-country** - great event to be part of. Having the chance to compete for your country as part of the NI X-country team. Selection takes place in the form of a trial. This trial is normally held in October with the International normally taking place in November.
- **National and international track and field Championships**
- **10k and 5k Road Championships**
- **Annual Dinner and prize giving**
- **Regular updates on races and results via social media**
